**NOTICE OF CONSTRUCTION**

**HIGHWAY 417 FULL CLOSURE – PERCY STREET BRIDGE REPLACEMENT**

Closure of Highway 417 eastbound and westbound lanes, Carling Ave. eastbound on-ramp, Parkdale Ave. eastbound on-ramp, Maitland Ave. eastbound on-ramp, O'Connor westbound on-ramp, Lyon St. N westbound on-ramp (remain closed).

**Distribution Date: October 6<sup>th</sup>, 2023**

Kiewit Dufferin Midtown Partnership (KDMP) has been retained by the Ontario Ministry of Transportation to replace the Percy Street bridge on Highway 417 / Ottawa Queensway. To facilitate this work, KDMP will be required to implement traffic control staging on Highway 417 and City streets. It is KDMP's intent to keep an open and upfront communication channel with all residents and affected agencies. To that end, please see the below information providing further details regarding road closures and the affected area.

**WHEN: Highway 417 eastbound and westbound lanes - (Full Closure to all vehicular traffic – Follow**

**Detour (Figure 1 Figure 2)**

Anticipated Start Date: Thursday October 19, 2023 @ 8:00PM

Anticipated End Date: Tuesday October 24, 2023 @ 6:00AM

**Highway 417 eastbound on-ramps (Full Closure to all vehicular traffic – Follow Detour (Figure 1 Figure 2):**

- **Carling Ave on-ramp**
